Pirate Pee Wee Team

Our 120# Pirates headed to Quakertown to take on a Panther team coming off a big win. The Panthers were fired up to take on our Pirates but our team quickly took control of the situation. The Pirate defense controlled the field and forced the Panthers 3 and out on most every series in the first half. The offense lead by great play on the O-Line allowed our team to advance down field both thru the air and on the ground. This combined with a defensive score off a pick and run-back put our Pirates in great position at the half with a score of 28-0. The Panthers came back out in the second half determined to turn things around, with a quick score of a breakout run down the sidelines. However, are Pirate offense quickly answered back and regained control of the game, ending with another Pirate win. Great job by all the players. Next stop is round one of play-off action against the Abington Raiders. Final score: Pirates 33 Panthers 6. Go Pirates!

Pirate Jr. Pee Wee

Friday October 9th the 105 Pirates travelled to Quakertown to do battle with the Panthers. The Pirate offense started strong and fast by scoring on their second possession, RB Anthony Fleck took off down the right sideline for the score (PAT: Frank Krug). The Pirates lead 7-0 before RB Jordan Walbridge took the ball up the gut and broke free to make it a 14-0 lead (PAT: Frank Krug). The dominating defense continued to be a powerful force but let up a complete pass in the second quarter for a touchdown, cutting the Pirate lead 14-7 at half-time. The second half continued to play in the Pirates favor as another breakaway run by RB Frank Krug extended the Pirates lead 21-7 (PAT: Jordan Odle). Defensively the Pirates pulled it together and had an explosive night full of interceptions and sacks, Safety Jordan Odle accounted for 2 interceptions and DE Kyle Maloney racked up 3 sacks and a forced fumble. Though it wouldn't be a

normal 105 game without some end of the game drama as within the last 4 minutes of play the Panthers scored and cut the lead 21-14, an offensive possession and fumble later made the defense work hard to secure the victory as Jordan Odle snagged a desperation pass deep to seal the deal. Overall a great TEAM effort decided the fate of the 105 Pirates as they won 21-14. Next Up: Conestoga in a Re-match!

ampton Indians. Team captains Zac Smith, Ben Haubert and Colby Pentecost represented our Pirates as they began their game in classic football conditions with cold, rain and mud. The starting defense including Matt Raugh and Nick Petrillo was ready to go and their desire to engage the Indians at the line of scrimmage was undeniable. Hard hitting tackle standards were set by TJ Froman and some pre-play posturing by Elias Worthington may have made the home team reconsider their desire to make it into the Pirates secondary. Matt Petrillo led the first half offense. Runs by Alex Creighton and Johann Krug were often productive. The Mighty Mites battled on through the second half as the weather conditions worsened. Regardless of the rain covered ball, clean snaps from Joseph Worthington and handoffs received by John Denato and John Dill were near flawless. A touch-down run by Bobby Snyder at the end of the third quarter was the result of continued teamwork and some textbook blocking by Nathan Crotts. In the final seconds, the wet and muddy team found themselves backed up and in defense of the goal line. An undiscouraged battle cry from Liam Scully, Will Werner and the rest of the purple and gold players echoed over the field

Pirate Flag

Our Pirates really stepped up this week, having their best game of the season, it was **Sunday** night under the lights. Our defense took control of the game early on, holding the Quakertown Panthers scoreless for the first half. The offense was out there battling all night as was defense. With only seconds remaining in the first half, the defense held strong. With two seconds left on the clock, the offense took the field with time for only one play. Coach Mike dug through his playbook and came up with a great play with us ending up in the endzone for the only score that half. But not to be out done, he called another great play with a flare pass to get us the extra point, giving our Mighty Pirates the lead! The second half started off with another strong defensive battle, back and forth and up and down the field. The Pirates were able to score one more time with great teamwork and a long series of plays, inching their way into the endzone. With only minutes left on the clock and the Panthers using all of their timeouts, they fought all the way down to the Pirates three yard line. The Pirates put on a very strong and determined goal line stance and held the Panthers off from scoring in the final seconds of the game. Great job by our entire Pirates Team, the

key word being Team, they all played very hard and smart football, never giving up until the last whistle blew!
