

PHS VARSITY FOOTBALL COLONIAL LEAGUE CHAMPS!!

For the first time in history our Palisades High School Varsity Football Team are Colonial League Champions (w/Palmerton) this year after a 38-36 win over Saucon Valley. Many of these varsity players are PPYF graduates. They even have a former PPYF coach/commissioner on their coaching staff! We are very proud of this team and they are an inspiration to our youth players. We wish them continued success this season. Come out and cheer them to another victory this Saturday (11/10) at 7pm as they host Wilson at Walter Rohrer Stadium. Bring your family and friends! Lets show Wilson what ðPirate Powerö is all about!!!

Execution. ExEcUtIoN EXECUTION!, The 120s played another great game. Once again we sent many more bodies off the field with hard play and great hits from both lines . It was the small things that seemed to bite us again. At the high level that we are playing at it is only the small things that will make the difference between victory and coming up short. The team never gave up and played hard the entire game. We certainly surprised Penn del in the second half when they thought they were going to cruise to a win. Dan Finney came up huge with an interception returned for a TD. Everyone is playing well we just need some fine tuning and the out come will be tremendously different.

Great Game again by ALL!

105lb D3

Friday night our D-3 105lb Pirates went on the road to Lenape Valley to play the Indians under the lights in Chalfont. Our kids were tired after a long day (and a trip to New York) and many got home just in time to play. The kids were fired up early and played hard-hitting Pirate football, working their way to a 13-0 4th quarter lead. Jason Reitz scored both TD's. One was on a long 26 counter, making a few tacklers miss. The other was on the second half kickoff, to post our first kickoff return for a touchdown this season. The Indians fought back for a 4th quarter score which made for a tense ending. With less than 2 minutes remaining, L.V. had a first down inside our 15 yd line, with 4 chances to go ahead. Our DEFENSE

stood tall with Taylor Reitz, Paul Steubing, Janelle Corliss, Dakota Bartol, Nick Sanders, John McDonald and Elias Carmer all gang tackling. With its last chance, the Indians hoped to score on a sweep to the left, but a game saving tackle by Andrew Koenig saved the day.

Final Score Palisades 13 Lenape Valley 7

Special thanks to all of our parents for helping at the BuxMont Championships, for your patience with the game schedule and for getting your kids to practice all year. Your help makes a difference!

90lb

Our 90lb Pirates faced the Souderton Braves and were pumped up for some action. The first half our offense showed balance and moved the ball well, but the Braves scored on their opening drive and the extra point was shutdown by Brandon Whyte. After that drive, our defense made some adjustments with major defensive tackles from Connor Arcay, Dylan Kennedy, Cody Sharpe and Tom Sauer. With numerous tackles in the backfield by Landon Mueller Dustin Soja and Chase Orecchio we were able to shut the braves down. Anthony Fleck broke up a pass and that started the pirates motor running. Tyler Marsh had some complete passes to Brandon Trippeda and Kyle Maloney for some yardage, and were gaining in scoring territory. With the momentum mounting great pass blocking came from Corey Senderling, Alex Otery, Matthew Barnhart and Kevin Johnson helping to clear

ground for Austin Krauss and Frank Krug to gain yardage. Blake Cassalia and Jared Scott saw some running action, however, the clock ran down and we were unable to execute resulting in the loss 6-0. All boys played well and never gave up! Good job boys.

80lb

The 80 lb team played the Lenape Valley Indians. The first half saw Jordan Odle, Morgan Segreaves and Tanner Bahnck trying to get the ball down the field for the offense. There were several good tackles by John King, David Somp, Tanner Pursell and Jack Saxton. Thomas Eichlin and Cale Senderling were able to get a fumble recovery, but we were outscored by the Indians. The half ended with the Indians up by 12.

The second half started with Connor Garr getting the kick off. Tyler Remblis and Patrick Lodwig, behind the blocking of Thomas Boardman and Joe Fchet, were able to make some movement down the field. Running around a tackle by John Paul Ramel and John Cashman, Jordan was able to make a score. The final score was 25-7. Great job everyone.

CHEER REPORT

This was the season ending weekend for the cheerleaders and it was a chilly one. The Mitey Mite and Pee Wee girls kept their Pirate spirit high despite the chilly temps. The Mitey Mites did an awesome job cheering for the 80 and 90 lb teams. Later in the day the Pee Wee girls cheered for the 120 lb team; the half time routine looked great. Both squads should be very proud of their accomplishments this year. A special thanks to our coaches - Mitey Mite coaches Sue Gardner and Lisa Grim, and Team Mom Lori Zangli, Pee Wee Coach Rosie Nottingham and Team Mom Trish Shafer. The best of luck to the 6th graders in their future cheer endeavors.
